All prices include shipping charges from Peru but exclude post and packing within the UK.
UK post and packing (at cost) is expected to be no more than £2.50 for a single item.

Due to the significant reduction in the \$ / £ exchange rate (and the Nuevo soles is closely linked to the \$), we have had to increase prices from those in 2008. Whilst we will endeavour to deliver at the above prices, we may have to charge a small amount extra on delivery if the exchange rate has further reduced.

We usually have a few items in stock, however, orders are welcomed - please note that it may take a few months to fulfil your order as we have to group items for carriage from Peru..

Cheques should be made payable to Nick Roberts and posted to
2, Upland Rise, Walton, Chesterfield, Derbyshire, S40 2DD.
